1 Store Terms and Conditions

Orders will be processed as soon as possible, usually within three days. Please do keep in mind that this shop is just a hobby and in no way a professional business, so bare with me if things take a little longer. If you need something before a certain date, don't hesitate to send me a message.

I will add a handling fee for decent packing materials of 4DKK plus 10 percent of the shipping costs to every order. This way your orders will reach you in the best possible way.

Also a handling fee of 15 DKK will be charged for orders (this is the total exc shipping, handling and other payment fees, so basically just the bricks/sets) under 100.00DKK

Shipping will always be calculated realtime, prices change by the day at the moment. **PLEASE BE AWARE THAT SHIPPING FROM DENMARK IS RELATIVELY EXPENSIVE.**

Payments with paypal add 4.5% over the grand total.

Due to changes in international rules I can no longer send bricks (goods) in envelopes. All international orders must be done as parcel or insured/track and trace mail.

All parcels will be shipped with track and trace, this way we will have a lot less discussions. Especially since the mailsystem is not as fast or accurate as it was.
